IT Protection & Continuity Services

EIS offers a suite of IT Protection & Continuity Services to ensure that your IT systems are secure and that you can recover your data quickly in the event of a disaster.

Our IT Protection & Continuity Services give your local school complete peace of mind when it comes to the security of your data.

Remote Backup

EIS offer an off-site backup solution for all your school's systems including Microsoft Windows and Exchange servers, workstations and laptops. We store the data in two separate, highly secure data centres for added protection and all data is securely encrypted during transfers and storage so that it cannot be viewed. We can restore your backed up data to a computer of your choice should a computer fail.

Antivirus

EIS can provide you with the very best antivirus and anti-malware software on the market.

Disaster Recovery

If a disaster occurs in your schools and your require a temporary loan of equipment, you can come to EIS in the knowledge that we will get the kit to you as fast as we can and set it up, ready for you to continue working in a safe environment.

LET'S KEEP IT SIMPLE

About Us

EiS is the leading supplier of tailored IT infrastructure, hardware and software services to schools.

Established in 1982, we specialise in incredibly advanced complex systems. It is however our vast knowledge, experience and approachable nature which enables us to make things seem very simple.

Our customers realise that the systems are complex, but our primary concern is that technology is simple to use and above all that, just works!

Our many years of experience and knowledge in providing outstanding IT support services and a comprehensive training and events programme means that teachers are enabled to concentrate on teaching.

Training & Events

We provide a wide range of training courses and events throughout the year, all of which are available to book via Kent CPD Online. For any additional information, please email training@eisit.uk

Service Desk

Our highly skilled Service Desk team are available from 08:00 to 17:00 Monday to Friday throughout the year, with the exception of bank holidays. We aim to resolve most queries on the same day and if we cannot resolve your query immediately, it will be referred to our specialist teams.

Prices & Packages

We offer a wide range of options tailored to suit the size and needs of your schools. All IT products and support services are provided with an annual Support Agreement. Some products and services are also subject to a licence fee. Please contact us for a quotation.

Free Demonstrations

To arrange a free demonstration or to discuss how any of our services could be of benefit to your school please contact us.
