LET'S KEEP IT SIMPLE

# School Holiday Services

## We can fix it while you are away for the summer!

While you and your students enjoy a well-earned break this summer, why not arrange for EIS Kent to repair your faulty or broken electrical equipment ready for the new school year.

- **Server & PC Deep Cleans**
- **Printer Servicing**
- **Projector Servicing**
- **Free Site Surveys and Consultancies**
- **Touch Panel and Whiteboard Installations**
- **Classroom Moves - All IT and AV Kit**

Our skilled engineers are available during the summer holidays and the October half-term. We can also service and clean your whiteboards, projectors and printers.

Are you still running old, slow RM PCs?

We also specialise in cost-effective RM upgrades.
